Newborn Through 4<sup>th</sup> grade

"Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.'"

Luke 10:27

Center's Children's Ministry uses a curriculum called 252 Basics:

We use the curriculum both during the Sunday school hour and God's Kids Worship. Each month we will be reinforcing a virtue and a memory verse. Every week kids will hear a different Bible story and learn a bottom line that ties it all together.

Why 252 Basics?

We want our kids to discover and embrace a growing relationship with Jesus Christ. 252 Basics uses Luke 2:52 as a framework to help kids grow up as Jesus did.

*Luke 2:52 says, "Jesus grew in wisdom and stature and in favor with God and men."*

We want kids to leave our ministry knowing:

I can trust God no matter what.  
I need to make the wise choice  
I should treat other the way I want to be treat

These core truths provide kids with a picture of God's character, knowledge that the Bible is the source of wisdom and truth, and an understanding that they can embrace and celebrate a growing relationship with Jesus Christ.

We also believe what happens at home is more important than what happens at church.

One of the core beliefs behind 252 Basics is the concept **Orange**, and how two combined influences can have more impact than each could have on its own. When the church and family partner together with a shared strategy to influence the hearts of their children, the effect will be greater. We will be providing resource to the parents. During the Sunday school hour they will be given **Parent Cue Cards** which summaries the Bible Story, memory verse, Bottom Line and provides parents with a question to spark conversation about the week's lesson. During God's Kids Worship the kids will be given **GodTime Cards** these cards provide kids and parents with four days of very quick, engaging devotion that includes scripture, activities and prayer.
