Thank you for trusting us with your precious gift from God. Our goal is to provide a secure and happy environment for you and your child.

Welcome to the
Nursery and toddler
rooms here at Center
United Methodist and
The Living well

He took a little child and had him stand among them. Taking him in His arms, He said to them, “Whoever welcomes one of these little children in My name welcomes Me; and whoever welcomes Me does not welcome Me but the one Who sent Me.

Mark 9:36-37

We believe your child is a special gift from God - so we want to provide the best love and care possible. Our focus is to provide a safe and nurturing environment for your child.

We provide loving care and teaching during both morning worship services as well as during the Sunday School hour.

If you plan to leave your child in our care for both hours, it is easier on you and your child if you do not check on him or her between sessions. (No child should have to endure two separations in one morning.)

We understand that all children cry sometimes when left by parents. In most cases, crying stops a few moments after you leave. If your child continues to cry for more than 10-15 minutes, we will notify you.

We want to show Christ's love through caring volunteers, play and other meaningful activities. We will minister to each child through Christian love and care.

We are delighted that you brought your baby to our Nursery/Toddler rooms.

Here are several important things to remember that will make your child's time at our church enjoyable and worthwhile.

- ~ All children must be signed in at the registration table. You will also be asked to fill out a registration card.
- ~ You will be given a (3) part tag system. This first part will go on the child's back. The second part will go on the child's bag or personal belongings. The final part will go with you (parent/guardian)
- ~ All children left in the nursery will be assigned a pager number. You will be given a pager which will vibrate if you are needed in the nursery.
- ~ You are encouraged to label all bottles, cups and/or personal items. Labels are available at check-in.
- ~ All parents/guardians are required to present the third part of the tag when picking up your child. Please do not send a youth to pick up your child.
- ~ You are also asked to return your pager when picking up your child.

Health Policies

To protect the health of ALL our babies and toddlers we ask that you do not bring your child if he/she is ill. This includes any of the following symptoms within the past 24 hours:

- ~**Diarrhea**
 - ~**vomiting**
 - ~**Fever/Rash**
 - ~**Open Sores**
 - ~**Runny Nose**
- (anything but clear)**

Snacks will be available and may be provided in both the Nursery and Toddler rooms. Please inform us if there are any food allergies or snacks your child is not allowed to have.

We are striving to make the nursery as healthy and safe as possible.
